

to discuss any of his plans subsequent to his notification. "So far as the notification itself is concerned, it will be held at Rosemont, Judge Parker intends to remain here throughout the campaign, save perhaps for two or three absences to make speeches in large cities, such as Chicago, Philadelphia and New York and possibly Boston. To-day's information seems to give added force to the impression that Judge Parker will not resign until after the formal notification of his nomination. This would delay the resignation until after August 8th and thus prevent the election of his successor as chief justice in November. In that event, Governor Odell would have the designation of a judge to fill the vacancy. The present Court of Appeals proper consists of three Democrats and four Republicans.

Mayor Harrison Confirms Report About Opening of Campaign.

(By Associated Press.) CHICAGO, July 19.—"It is true that we are to have a meeting in Chicago on August 20th," said Mayor Harrison to-day, after reading the Associated Press dispatch from Esopus relative to the opening of the Democratic campaign. "We intend to invite Judge Parker to be one of our speakers. The combination was originally set for last Saturday, July 16th, but we changed the date when we found it would occur before Judge Parker and Mr. Davis had received their official notification. We have already invited Mr. Bryan. We have practically accepted, and we are counting upon Judge Parker."

BRYAN'S STATEMENT.

Says Election Parker Will Open Way for Successful Reform.

(By Associated Press.) CHICAGO, Ill., July 19.—William J. Bryan passed through Chicago to-day for Central Illinois. He said that this week's issue of his paper will be full of a plan for continuing the Democratic party. Bryan said: "The election of Judge Parker, instead of interfering with a successful fight by the country of imperialism, by removing the race issue and progress for the military and warlike spirit engendered by the actions and utterances of President Roosevelt. It is an intelligent effort to secure the reform element in the Democratic party by showing that the fight, instead of being over, has in reality just begun."

WILL SUPPORT PARKER AND DAVIS

(By Associated Press.)

IOWA CITY, Iowa, July 19.—Harmony was the keynote of the Iowa Democratic State Convention here to-day. The prospective fight to a finish between anti-Hearst and Hearst Democrats did not develop, and the two factions vied with each other in nominating and seconding the nomination of the candidates.

An effort to humiliate National Committeeman Charles A. Walsh, who is also a member of the State Committee, by limiting his voice in the latter body to matters not subject to contest, was not successful. It was defeated in the Resolutions Committee by a vote of 6 to 1.

Apart from defeat in the Walsh matter, the anti-Hearst men were in absolute control, and now govern the machinery of the party in Iowa.

The following officers were named, being met by men of all shades of party belief: Electors at Large, W. O. Schmidt, of Davenport; J. B. Romans, of Denison; Secretary of State, Charles A. Dickson, of Sioux City; Auditor of State, Edgar F. Medary, of Vinton; Treasurer, J. P. Medary, of Des Moines; Attorney General, Maurice O'Connor, of Port Dodge; Railway Commissioner, J. P. Monahan, of Fairfield; Supreme Judge, J. W. Sullivan, of Kossuth county.

The platform is exceedingly brief, merely endorsing the declaration of the principles put forth by the St. Louis Convention and pledging support to Parker and Davis. A message of congratulation was sent to Judge Parker, to which he made a suitable reply.

Thermometer Soars in Washington and Prostrations Reported.

(Special to The Times-Dispatch.) WASHINGTON, D. C., July 19.—This has been the hottest day Washington has had this summer. The thermometer at Annapolis, near the New Willard, registered 100 degrees at 1 o'clock this afternoon. There were several heat prostrations, colored, so far as known.

Richmond was a sufferer with every city in the land yesterday, and at 3 o'clock yesterday morning the Weather Bureau reported Richmond with a high of 90 degrees and a low of 70 degrees. The atmosphere was dry, however, and but one prostration, that of a man, was reported. The thermometer registered 98 degrees at 3 P. M. fifty feet above the street.

President Receives Miners and Gives Old Comrade an Autograph Card.

(By Associated Press.)

OYSTER BAY, N. Y., July 19.—President Roosevelt to-day received the committee appointed last Sunday by the convention of the coal miners and also the delegates at Wilkes-Barre, Pa. The mission of the committee was to present personally to the President a petition asking for an investigation of the labor troubles in Colorado with a view, if possible, of remedying the conditions now existing.

The committee met the President at Sagamore Hill to-night. They passed half an hour with Mr. Roosevelt, in his library. The petition was laid before the President. He read it carefully, and then informed the committee that he would be glad to do anything he properly and legally could to ameliorate the conditions existing in the State of Colorado. He indicated that an investigation of the troubles in that State is now being made by agents of the Department of Commerce and Labor. Thus far the situation had not been such as would warrant interference by the Federal government.

Following the presentation of the petition, the President talked with his callers on subjects of mutual interest. The talk developed the fact that Henry Herzovits, a member of the committee, had fought with the President in the Cuban campaign. After exchanging some reminiscences of the war with him, the President gave Mr. Herzovits an autograph card bearing the following inscription: "To Comrade Henry Herzovits, with the good wishes of Theodore Roosevelt, July 19, 1904."

The members of the committee express pleasure at the result of their visit.

The platform is exceedingly brief, merely endorsing the declaration of the principles put forth by the St. Louis Convention and pledging support to Parker and Davis. A message of congratulation was sent to Judge Parker, to which he made a suitable reply.
